By Sending in your bag with this Service Form you agree to the terms and conditions of the Delortae Agency Restoration Services: There are no refunds for restoration services. Delortae Agency will do the best possible restoration based on our expertise, however we are not responsible for metamerism, which is the effect different light sources have on colour.

Where leather chemistry varies we then re-formulate the finishes in some cases. Delortae Agency Bag SPA matches to daylight.

Return time varies per item. We appreciate your patience as many items may take longer than expected on closer examination. We are not responsible for any damages and sending your item to Delortae Agency Bag Spa is at your own risk. All bags will be delivered by Royal Mail (or similar Carrier) insured, unless other delivery instructions are provided. All estimates will be emailed but are subject to change once the item has been started and a reassessment is performed. You will be advised via email of such changes.

We recommend you deliver your item to us 'insured and signature required'
